Insulation EXPERTS

We are Kebaa for Trading and Importing, First established in 1983, owned and managed by a highly dedicated and motivated team with over 40 years of experience in the thermal insulation field, especially in the HVAC systems and the Electromechanical sectors. Since its establishment, Kebaa has striven to offer clients the most modern, best value for money and highest quality insulation materials. At Kebaa we are always striving to improve and expand, we are never content with just sitting still. Our continued growth has allowed Kebaa to become a market leading insulation supplier and we are proud to work with leading insulation manufacturers

We offer a high level of expertise to deal with inquiries from a variety of products and sectors before supplying and all the way, until the very end of the project. Kebaa is an authorized distributor for Izocam in Egypt, a leading Turkish manufacturer specializing in glass wool and rock wool for insulation applications. Izocam provides a variety of products and technical consultancy services for heat, cold, noise, and fire protection, meeting global standards. Kebaa is also affiliated with Qalaa Capital, with operations in Sadat City, Egypt, producing high-quality glass wool and rock wool. Moreover, Kebaa has a strategic partnership with HB Fuller, a global leader in adhesive solutions, enhancing its insulation and construction product offerings.

Additionally, Kebaa partners with K-FLEX, a multinational manufacturer of thermal and acoustic flexible elastomeric insulation materials, with a global presence. Kebaa also distributes cold and galvanized steel rolls and boards in various thicknesses, in partnership with Kandil Steel (Kama). Moreover, Kebaa supplies certified HVAC ducting insulation accessories, including flexible ducts, connectors, metal clamps, duct adhesives, sealants, tapes, and galvanized materials.
